A donation today will help a child to have some fun but it will also give them much, much more.

Hidden in the grid are words to describe just some of the special and lasting moments the children we support need more than ever.

Find all the words, and the letters left over will spell out a special message. Remember, words can be forwards, backwards or diagonal!

*It's always fun to have
ice creams on the beach,
whatever the weather!*

The gift you send for a boy or girl could give them the chance to make memories which will last a lifetime.
